

We currently have an overabundance that we would love to share. Below is the current supply we have. We will limit 2 packages per family, so that we can spread as much help around as we can. If you see a size/kind that would be useful to you, please call the Centre at (519) 252-7281 press 0 and ask for Laura Spencer.

Or you can send an email to laura.spencer@jmccentre.ca.
