Back Yard NATURE SOUP

shutterstock.com • 219605755

We need to find these magical ingredients
to help spring find its way to Earth!

- 6 of something round and hard
- 4 handfuls of something pointy and green
- 8 handfuls of something brown and dirty
 - 2 of something prickly
 - Some very small leaves
 - 3 things colourful
- 12 of something of your choice
- 4 handfuls of fallen bark from a tree
 - 10 of something pretty
 - 1 Magical fallen feather

NATURE SOUP

Once you have collected all

the items mix them all

together, add a little water,

and sprinkle it back into the

earth around your back yard.

YOU have helped spring find

our planet Earth!!
