

RESEARCH PARTICIPANTS NEEDED FOR THE STUDY:

"Caregiving Complexities: Experiences of Primary Caregivers of Children with Special Needs in the Context of COVID-19"

This research study is looking for participants who are:

- The primary caregiver of a child with special needs between the ages of 0-16 years.
- A resident of Ontario
- 18 years of age or older

1. Complete the quick 10-minute online survey by June 2021!

2. Share this information with a friend/partner who is also a primary caregiver of a child with special needs!

The purpose of this research study is to highlight the experiences of caregivers of children and youth (ages newborn to 16 years) with special needs, during the Covid-19 pandemic.

Participants can enter into a draw for a \$25 Amazon gift card!

This study has been cleared by the University of Windsor's Research Ethics Board.
