Internal/External Posting

Senior Therapist – Physiotherapist

1 Permanent Vacancy - 1.0 FTE

Salary Range (\$41.703 - \$46.989 per hour)

Hours of Work – 37.5 hours per week

The John McGivney Children's Centre provides family-centered paediatric therapy services in the Windsor-Essex County community, enriching the lives of children and youth with special needs by helping them reach their full potential. Reporting to the Manager of OT/PT Services, the Senior Therapist-Physiotherapist will provide clinical physiotherapy services within a professional scope of practice including assessment, intervention and documentation. They will support the Manager in the implementation of strategic priorities of the Centre as they relate to clinical programs and services, in addition to roles and responsibilities as a clinician.

The Senior Therapist- Physiotherapist will provide comprehensive clinical rehabilitative services within the Centre, homes, schools and in community in accordance with clinical standards of practice as mandated by the respective regulatory body or equivalent. They will collaborate with clients/families and other team members in the planning and delivery of programs and services, and assess, prescribe and monitor assistive devices. They will support Managers in management of programs and services, and develop strong working relationships with colleagues, specialists and community partners. They will be responsible to provide mentorship to colleagues, and represent the department in the absence of the Manager, or in any relevant meetings or routine activities. The Senior Therapist – Physiotherapist may coordinate and supervise students and interns, and lead continuous quality improvement initiatives, including identification of gaps or inefficiencies as well as development of strategies to evaluate effectiveness and enhance service delivery.

Qualifications:

The qualified candidate will have a Clinical Master's Degree in Physiotherapy or equivalent, and be registered with the College of Physiotherapists of Ontario and in good standing. Five years of Clinical experience as a Physiotherapist is required, preferably in paediatric rehabilitation is preferred. They will demonstrate well-rounded clinical experience, and have a history of support for long and short-term goals. The qualified candidate will have and continue to pursue a diversity of continuing education related to clinical expertise. Excellent interpersonal, organizational and communication skills are required.

Please submit your resume and cover letter no later than 4:00 p.m. on May 16, 2024 to:
